INDEX.

TO ADVERTISERS.

In addressing circulars or envelopes it is better always to give the lite as well as the name and post office, thus:

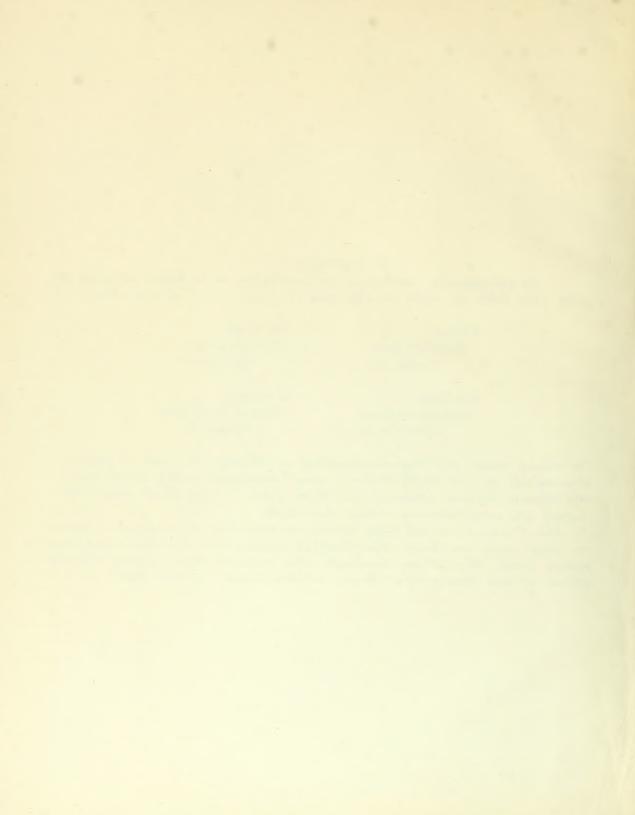

A.G.LANE
SUPT. COUNTY SCHOOLS
CHICAGO, ILL.

A . B . POLAND PRINCIPAL HIGH SCHOOL JEASEY CITY, N.J. JOHN JASPER SUPT. CITY SCHOOLS. NEW YORK. N.Y.

J. A. COOPER.
PRINCIPAL NORMAL SCHOOL
EDINBORO, PA.

In many cases the Superintendent of Village Schools is also Principal of the High School and wherever this is the case the same name occurs in both lists, This fact should be noted in addressing these two lists.

In the Graded School list where a number of names is given in one City or Town the fact is indicated by two lines one above and the other beneath the names thus given, the Post Office of all being the Town at the head of the list.
